

Dear Colleague

Your School Community

Contact Us Form

Our vibrant A2 laminated Student Wall Planners have been introduced to over 330 schools throughout Australia and utilised by over 395,000 students. The laminated finish on the **reusable A2 size** customised Planners means the student is able to use the same Planner for their entire high school life from Year 7 through to Year 12.

The Planner is the ideal daily learning resource used in the **home learning** environment to help parents support their son or daughter. We also have a **FREE** Parent Guide.

Being **fully customised** the Planner layout with your school's colours, logo/crest, motto, timetable structure and other special features sends a clear message of your school's expectations to your students and families.

If you would like us to send you several different designed **A2 Student Wall Planner samples**, please email us. Visit our web site gallery to view a large range of different customised Student Wall Planners:

<http://redtickededucation.com/student-wall-planner-gallery/>

If you are interested in obtaining an **obligation free quote** for the Planners to be introduced in your school, please complete the details on the **Contact Us Form**, email it to us and one of our team will contact you to provide pricing.

Ask us if we have any current special offers beyond our usual volume discounts.

Regards

John
Director
Red Tick Education

As students move through the developmental stages in their growth, their ability to study and become independent learners occurs at different rates. The benefits of the Student Wall Planner are diverse, and the outcomes underpin valuable life skills.

Benefits for your School...

- Improved communication between parents and teachers
- A comprehensive ready-to-use resource for students in Years 7-12
- A2 sized, reusable, laminated Student Wall Planners
- Fully customised Student Wall Planner that will last for 6 years
- A long term resource designed to support the School ethos and expectations for the home environment.
- A colourful marketing resource to show potential parents at the interview stage and for display at open days

Your Students will...

- Become equipped with the skills to develop responsibility for their own learning.
- Learn to manage their own learning by setting effective goals.
- Gain an appreciation of the concept of work/life balance.
- Learn to manage multiple tasks - assessments and other work.
- Plan their commitments a Term in advance at a glance.
- Develop their own personal Planner driving them to accept deeper ownership of their goals, learning behaviours, study habits and skills.
- Develop a weekly routine and planned schedule.
- Have an ideal tool for time management.
- Enhance their study and organisational skills.

Benefits for Parents...

- Improved communication between parent and child.
- A tool that assists them to help their child.
- The Parent Guide booklet - recommending strategies for parents to assist their child in ways that will help maintain positive relationships.
- Established expectations from your school to help their child take responsibility for their own learning.
- Foster an important three-way partnership between your school, students and the parent community.
- A full explanation of the key concepts of the Planner illustrated on the reverse side.
- Ideal "home learning" tool to help parents support their child.
