Set Up Your Goal Chart

- List all of your subjects
- Set a Semester APA score for each subject
- Record your last Semester Overall APA score
- Set out some strategies for lowering or maintaining your APA score

Set Up your Co-Curricular Timetable

Step 1

- Record all known regular weekly activities (orchestra rehearsal, music lessons, Saturday sporting fixtures, sports training etc.)
- Family times, frequent social events,
- Travel to and from school, training etc
- Any other items that are part of your weekly schedule

Step 2

- Record the contact details of coach, tutor, mentor, wet weather number
- Make sure you allow enough time for recreation and relaxation

Tips for getting organised

1. Tidy your locker

- Keep your locker tidy and it will be much easier to stay organised! Clean out your locker twice a term. Mark your clean-up dates on your planner.

2. Create a study space

You need:

- Your own desk which you should keep tidy
- A quiet place to study, away from distractions (computer, phone, TV)
- Somewhere to place this student planner (eg on the wall in front of or near your desk)
- A comfortable chair with good back support
- A lamp or light that falls on your books and does not shine in your eyes
- A book shelf for resources

3. Write everything in your School Diary

Your diary is your best tool for staying organised. At the start of each week, write the names of all lessons for each day.

Write your homework down clearly and neatly after each lesson. When you receive assignments or assessment tasks, write the due dates in your diary.

How to Use the Knox Planner:

Use a non-permanent or fine whiteboard marker only

At the start of each term

- Work with your tutor and parents to create an initial planner draft.
- Once your term planner is issued, write in due dates for assessment tasks and assignments; write in exam weeks and any other important dates.
- On the daily homework, assessment and exam revision timetable, write in all relevant commitments for the current week.
- Each week, use the Notes/Reminders section to prioritise tasks. When you have finished tasks, cross them out or rub them out.
- Have a family meeting to discuss and negotiate your term plan.

What is homework?

Homework includes these activities

- Activities set by your subject teacher
- Research and reading for an assessment task
- Working on non- assessment tasks
- Reading

There is no such thing as "no homework"

What are Assessment Tasks?

Assessment tasks are those tasks whereby the marks count towards a subjects overall semester or yearly grade.

- They are critical tasks which must be prioritized and completed by due dates.
- All assessment tasks will be posted on the Senior School website

What is Exam Revision?

Exam revision includes these activities

- Revising work covered that day or in previous week(s)
- Reading ahead in the text book
- Studying for a unit test or major examination
- Creating a mind map of key information about a topic
- Making study notes to prepare for exams

Ideas on How to Prioritise

- Do the most important and urgent things first.** Look at your goals to make sure you are doing what is important.
- When is it due?** Organise your tasks according to when they are due.
- Use the to-do list.** Write your tasks in order of priority on your to-do list.
- Split big tasks into smaller sections** and complete them over a few sessions.
- Do hard things first.** Study those subjects you find difficult first, rather than leaving them until last.

Ideas on Goals and Objectives

Take some time to reflect:

- How can I grow as a person this year?
- Did I achieve my personal best in each subject?
- What do I want to achieve in the future?
- How do I cope with setbacks?
- When you have reflected, make some notes. You may turn your dreams into goals or objectives.
- Here are some examples of types of goals that might suit you. Choose your main goals, maybe one from each area to start:

Personal

- Get to know at least 2 new students this term.

Academic

- Attend Homework Help once a week after school. View the Knox website for details for when and where such sessions are held.
- Improve my writing by practicing extended responses.
- Revise units of work when I finish them.

Organisation

- Write down my homework every lesson.
- Pack my school bag the night before, to make sure I remember my equipment.
- Clean my locker out twice a term.

Co-curricular

- Join the debating or public speaking team.
- Practice a musical instrument regularly.
- Improve my endurance and fitness this season.
- Try something new.

Service

- Find somewhere outside my comfort zone where I can do service for the school or community.
